President's Message Mary Hudson

Greetings from the chapter executive committee! Fall has arrived, and I am sure everyone is busy gearing up for the holidays!

Your Central Kentucky CEC works very hard to promote activities and incentives to benefit its membership. We want you to have the opportunity to improve government accountability in your job through leadership, training and community outreach. Please get involved and learn how you can make a difference!

The chapter will be hosting the 15th Annual Accounting and Auditing Update on Tuesday, October 3, 2006 and Wednesday, October 4, 2006. The chapter Education Director, Cindy Upton has coordinated this training. Bill Broadus will be the speaker. The registration deadline is September 26. Please contact any of the chapter officers for information.

Our next meeting is October 5 at the Frankfort Plant Board. Aaron Greenwell and Daniel Hinton will be discussing financial audits at the Public Service Commission. Please join us!

We will be collecting donations for the Franklin County Toy Drive this month and in November. Please bring your toy or cash donations to the meetings. Stay tuned for other community service activities!

We support your interest in the CGFM. Please check out the National AGA website at www.ckvaga.com for information, or pick up an application at

our next meeting on October 5. There are great national and chapter incentives for you to benefit from in gaining your CGFM!

The chapter has purchased a brick for the new Paul Sawyer Library. The brick has the chapter's name engraved upon it. We are excited to be a part of the community!

Please visit our chapter website at and the National AGA website at www.agacgfm.org. These websites are valuable resources with information that can assist you in your professional development and leadership.

Point Standing

Dan Flaherty 6 points
Linda Harney 5 points
Kim Moore 5 points
Linda Sexton 5 points

Our chapter is tallying points every time a member attends the AGA meetings. Members can earn up to ten additional points for each guest they bring to AGA. During the year there will be other opportunities to earn points such as participating in community service projects or volunteering for a committee. At the end of the April, the chapter will add up all the points and the top point earner will receive free registration to the regional PDC conference.

Community Service Update

By: Linda Sagraves, CPA, CPM

Paul Sawyer Public Library

The new Paul Sawyer Public Library is almost completed. The library is *Paving the Way to Frankfort's Future* by selling engraved bricks for \$100 each. The bricks will become part of the front sidewalk of the library. To support the library's efforts, the Central Kentucky Chapter voted to purchase one of the bricks. The engraving will read:

Central KY Chapt
Assoc Govt Acct

The order forms can be picked up from Farmer's Bank, Poor Richards, Mitchells, or the Library or printed on-line from the Spring 2006 newsletter. Visit the library's website at <http://www.pspl.org/> For additional information, contact Kay Harrod.

Franklin County Fire Department Toy Drive

During October, November, and December we will be collecting new toys for the Franklin County Fire Department (FCFD). The fire department collects new toys through the second week of December. They are looking for basic toys such as, dolls, board games, cars, trucks (remote controlled are fine), sports stuff (bats, balls), etc. The toys are given to needy children at Christmas and throughout the year to children who have lost toys in fires.

So, bring a toy to the October meeting! I will deliver the toys in December. If you don't have time to shop, you can write a check payable to FCFD (Toy Drive). Include the (Toy Drive) as part of the name on the check so they will know the correct fund. Remember, donations are tax deductible and income tax season is right around the corner!

Don't forget our other community service activities:

Pop-Tab Campaign

Have your friends and neighbors join in our collection of Pop Tabs to benefit Friends of Indian Summer. The Friends of Indian Summer send children diagnosed with cancer to camp every summer so that these children can have a great experience, despite their illness. Please let me know if you need a collection can for the pop tabs. All collections can be dropped off at the monthly membership meetings. <http://www.iscamp.org/>

L.I.F.E. House for Animals

Also, the L.I.F.E. House for Animals has a donation bin for aluminum cans in the front of their building on Fido Court. Aluminum drink cans and pet food cans are accepted. If you place a magnet on a can and it sticks to the can it is not aluminum. L.I.F.E. House receives: Drink Cans-.50 cents per pound and Pet Food Cans-.30 cents per pound. So if you collect cans, drop them off at their collection site or bring them to the meetings and I will drop them off for you. <http://www.lifehouse4animals.org/recycle.htm>
