President's Message Lee Ann Watters

It's spring-time in the Bluegrass – or so I've been told. The snow that was pelting down on me yesterday causes me to question whether or not that's correct. However, I remain a believer and know that with the coming of spring there are many fresh, new things around the corner.

At our March Chapter Executive Committee meeting we elected a nominating committee, lead by President-Elect John Williams, to begin the task of filling our slate of officers for next year. John and his committee have completed this task in record time. The slate of officers for 2009-2010 will be announced next week. Many thanks go out to John and his committee for their efforts and to all those who have agreed to serve next year.

The National Professional Development Conference is just around the corner. This year's conference is being held June 21 – 24 at the New Orleans Marriott. AGA had scheduled the 2006 PDC to take place in New Orleans;

however, a little storm you may remember, Hurricane Katrina, caused those plans to change. This year will mark AGA's first return to New Orleans since Katrina and we are proud to be hosting this event in the renewed city. The planned program is exciting and includes speakers such as James Carville, Mary Matalin and Bobby Jindal.

Again this year, AGA is hosting the CGFM Review Course prior to the PDC. The course will be held June 18 – 19 with the exams being given June 20 – 21. The cost for the review course is \$249 and includes 18 hours of CPE credit and the opportunity to take the tests. Believe me, this is a real bargain!

AGA is currently sponsoring an on-line survey related to government financial issues. The survey includes financial reporting, dealing with tough financial times and top concerns of government financial professionals. Your opinion is needed and valued so please go to AGA's web page at www.agacgfm.org and participate in this survey.

Until next month.....

Chapter Meeting News and Notes

Community Service Update

By: Linda Hinton, CPA, CPM

Relay For Life

We raised \$40 at the March Basket drawing. Thanks to all those who purchased candy and were automatically entered into the drawing.

We will have **TWO** Easter Baskets as drawing prizes to raise funds for our Relay For Life Team at the April meeting. One basket contains a Wedding Dress Barbie and the other a Remote Control Car, as well as various candies!

Relay is the night of June 26-27, 2009 this year. Please join us in walking or make a tax-deductible donation (checks payable to the American Cancer Society). We will have a fundraiser at each meeting between March and June.

We will have a yard sale in May so please contact me if you have items you would like to donate. I'm willing to pick them up or collect them at the April or May meeting.

See you Thursday!

Charitable Donations

The Chapter Executive Committee voted to give Simon House and the American Cancer Society \$200 each during the January-March quarter.

Melissa Russell is the President of the Simon House Board of Directors. Simon House is a transitional living facility that houses women who are pregnant or have children under the age of 12 and are homeless. They can house six families at a time and stay for up to 2 years completely free while they are provided with programs that will hopefully give them the tools they need to live successful, independent lives.

From the Editor

All members are encouraged to submit articles for the newsletter. Members earn 1 member participation point per article used and 5 points per technical article. Submissions should be in Microsoft Word format and preferably 2 pages in length or less. Send submissions to sarah.feltus@auditor.ky.gov.

Conferences

Welcome to AGA's Professional Development Conference & Exposition

June 21-24, 2009

New Orleans Marriott, New Orleans, LA

No other conference brings together the caliber of leaders and decision-makers as AGA's Professional Development Conference & Exposition (PDC), now in its 58th year.

This year's PDC will attract more than 1,700 government finance professionals from all three levels of government to hear from the best minds in the profession at education sessions, in the Exhibit Hall and at daily social events.

At the PDC, you can hear from dynamic speakers, make new contacts, learn about the latest research, discover innovative management techniques and see the technological tools that can aid efficiently and improve effectiveness.

The PDC has long been considered a "must-do" training event, but there's still time to experience the music, culture and fine dining of New Orleans. [Click here to Register today!](#)
